**OFFICE OF PETITIONS  
DEPUTY A/C PATENTS**

Applicants hereby petition the United States Patent & Trademark Office to make application for patent on behalf of and as agent for Timothy Moran on the ground that Timothy Moran cannot be reached after a diligent effort has been made to do so.

Attached is a Declaration by Karen Kass, who mailed copies of the Application, the Drawings, and the Declaration and Power of Attorney to inventor Timothy Moran on July 19, 2001 via Federal Express and subsequently spoke with the Federal Express agent who attempted to deliver the package. As is detailed in the Declaration by Karen Kass, Timothy Moran's whereabouts are unknown after a bona fide effort has been made to contact Timothy Moran. Also attached hereto are copies of an Assignment executed by the other inventors of the invention assigning their interests in the invention to Motorola, Inc., ("Motorola") and a Declaration and Power of Attorney executed by the other inventors authorizing Motorola to represent them in regard to the prosecution of this application before the United States Patent and Trademark Office.

Applicants further note that as part of the terms of his employment at Motorola, Timothy Moran agreed to assign to Motorola all inventions made by Timothy Moran during his employment at Motorola.

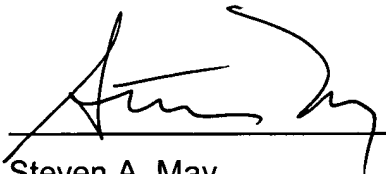

Therefore, applicants respectfully request that their Petition be granted and that they be authorized to make application for patent on behalf of and as agent for Timothy Moran.

Please charge Deposit Account 13-4772 for any required fees such as the miscellaneous petition fee under 37 CFR 1.17(h).

Respectfully submitted,  
WILLIAM M. BONDY ET AL.
